

ATTENTION EMPLOYERS!

Goodwill-Easter Seals Minnesota can help connect you to trained workers in high-demand fields

In partnership with the Rework America Alliance to advance opportunities for people from lower-wage roles to move into good jobs, our Employer Accelerator program provides hands-on support, expert guidance and professional connections for you to:

- Developing accessible job postings focused on the skills, abilities and competencies of your position for hire.
- Interviewing and evaluating candidates through a skills-based inclusive lens.
- Driving socio-economic mobility and talented employee base through partnerships for onboarding/upscaling practices.
- Discovering ways to source employees from neighboring industries and local workforce development agencies.
- Increasing workforce diversity and improve employee retention

Register for a free virtual info session at www.gesmn.org/accelerator to learn more.

Hurry, sessions start soon so let us help find your next employees today!
